

HONDA

JAZZ

Load Your Big

Dream.
JAZZ

You've found the perfect match to every kind of fun. But remember that Jazz fits so much more than just belongings. It carries those invisible-but-important big things in life. So come and load this space with laughter, adventure and stories you'll tell for a lifetime.

Your Big Delight.

Happiness is having a Jazz by your side. With style and a sparkling personality to match, Jazz attracts the young and youthful-at-heart to live life to the fullest.

Multi-Angle Reverse Camera**

Ease into parking spaces confidently, with a choice of three angles from the reverse camera.

Front Bumper

Redesigned to give a streamlined new look, the bumper is breathtaking to behold.

LED Daytime Running Lights (DRL)**

Energy-efficient LED DRL are illuminated in the daytime to enhance your car's visibility to other drivers.

15-inch Alloy Wheels S, E & Hybrid variants

16-inch Dual Tone Wheels V variant

Alloy Wheels

Two stellar wheel designs for the Jazz will set your heart spinning with delight.

Smart Entry

Enter the car effortlessly without having your key in hand.

Tailgate Spoiler

Make a style statement with a sleek Tailgate Spoiler and integrated third brake light.

Rear Combi Lights

Striking and sporty, the rear lights are made with long-lasting LED lights.

** E, V & Hybrid variants only. Actual model may vary in detail from image shown. Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

Continuous Variable Transmission (CVT)

Our commitment to the environment led us to build an efficient Earth Dreams Technology™ CVT which shifts effortlessly between gears for smooth and responsive driving.

1.5L i-VTEC Engine

Inject fun into every drive so you can travel more miles with a smile.

Maximum power:
120PS [88kW] / 6,600rpm

Maximum torque:
145Nm [14.8kg-m] / 4,600rpm

Your Big *Thrill.*

You don't have to choose between an exhilarating drive and fuel economy. The best of both worlds is found in the EEV certified Jazz. With Honda's Earth Dreams Technology™, fuel economy scores an amazing 5.8L/100KM#.

Paddle Shift*

For a more engaging driver experience, reach for the Paddle Shift to swiftly kick the gear up or down a level.

Cruise Control*****

Set your car to auto pilot by selecting a cruise speed and letting your Jazz do the rest.

ECON Mode

Conserve fuel by activating ECON Mode as you drive.

* V variant only. ***** V & Hybrid variants only. # Based on UN R101 Test Result for Jazz Petrol. Actual model may vary in detail from image shown. Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

Your Big Bliss.

Refresh Mode

Recharge yourself by reclining the front seats to create a lounge-like setting in which you can stretch your legs.

Long Mode

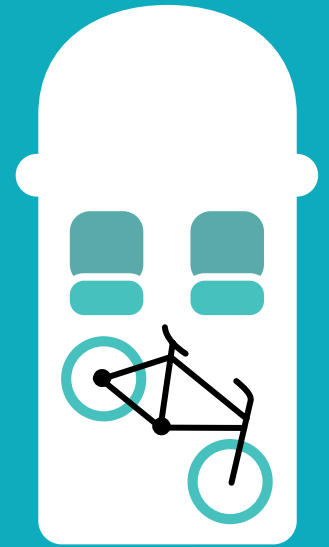

Long objects are no longer a problem. Simply recline the front passenger seat and lower the rear seat to make room.

Tall Mode

Flip the rear seats up to create more floor to ceiling space to fit tall items such as plants and furniture.

Utility Mode

Expand your boot to accommodate a bicycle or other bulky items by flattening both rear seats.

Jazz is the only hatchback that makes creative use of space with ULTRA Seats. Flip them into various modes to fill Jazz with your dreams, whatever they may be.

Unique Centre Tank Layout

Unlike other cars, Jazz has a fuel tank in the centre of the car, which allows for versatile loading space from different angles. Now that's clever design at work!

One Action

An effortless touch folds and reclines the front and rear seats for more space.

Actual model may vary in detail from image shown.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

Half Leather Seats*

A combination of smooth leather and smart-looking pinstripe fabric.

Fabric Seats***

An elegant geometric pattern marks a new design for the fabric seats.

Glove Box

Keep your essentials within handy reach with this large storage compartment.

9 Cup Holders****

There's room for everyone's favourite beverages with the Jazz's generous amount of cup holders.

* V variant only, *** S, E & Hybrid variants only, **** S variant only. Actual model may vary in detail from image shown. Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

LCD Meter Cluster

Bright and bold, an eye-catching Meter Cluster displays essential information at a glance.

Touch Panel Auto Air Conditioning**

A slick and chic touch panel puts comfort at your fingertips by allowing you to smoothly adjust temperature settings.

Push Start Button

Power up your engine with a touch of the Push Start Button, which sports a new, ultramodern design.

Hands-Free Telephone Steering Switch**

Easily accessible buttons allow you to safely stay in touch by accepting or rejecting calls while your hands remain on the wheel.

Your Big Playground.

Welcome to the driving seat of fun. Jazz is filled with tech innovations you'll never get tired of playing with.

Touchscreen Display Audio**

Innovation takes centre stage with a mesmerizing touchscreen that invites you to explore.

Call Function**

Sync your phone via Bluetooth so that contacts are a quick call away.

Audio Display**

Set the mood for your drive by spinning tunes through an intuitive audio system interface.

HDMI Connectivity**

Enjoy the familiarity of having your smartphone apps on the touchscreen via an HDMI port.

** E, V & Hybrid variants only. Actual model may vary in detail from image shown. Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

6 Airbags*
Protection for the people you love comes from Dual Front SRS Airbags, Side Airbags and Side Curtain Airbags.

Vehicle Stability Assist (VSA)**
Stay on track with the help of VSA, an advanced safety technology which reduces understeer or oversteer around tight corners.

Emergency Stop Signal (ESS)**
To alert other drivers to stay clear, hazard lights flash automatically on sudden braking.

Hill Start Assist (HSA)**
Helps to prevent the car from rolling backwards when the brakes are released on an incline.

Your Big *Peace of Mind.*

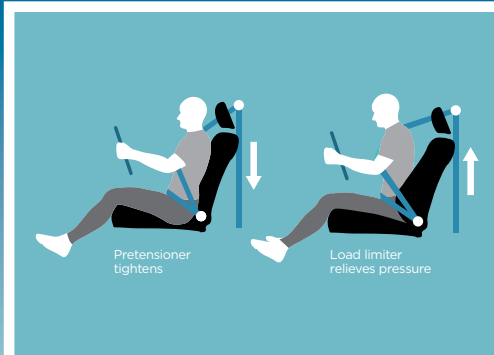

Jazz carries all that is precious to you. That's why safety is our biggest commitment, with every car equipped with the most advanced safety features.

Anti-Lock Braking System (ABS)
To help you stay in control during emergency braking situations, ABS prevents the wheels from locking so you can steer to safety.

Minimum Turning Radius
If you find yourself in a tight corner, a small turning radius of 5.4m lets you maneuver with ease.

3-Point ELR Seat Belts with Pretensioners and Load Limiters
Pretensioners tighten to prevent the body from moving forward and load limiters reduce pressure on the chest.

ISO Fix
Safely install and secure child car seats with ISO Fix, the global standard for child car seat safety.

* V variant only. ** E, V & Hybrid variants only. Actual model may vary in detail from image shown. Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

Sport Mode

Experience exhilaration with Sport Mode.

Shift By Wire

Change gears seamlessly with a fully electronic gear shifter that's sleek and futuristic.

3D Illuminated Meter Cluster

The stylish and advanced Multi Information Display shows useful information such as energy flow, efficiency and more.

SPORT HYBRID *i-DCD*

Intelligent Dual-Clutch Drive

EFFICIENCY THAT THRILLS.

The i-DCD system switches seamlessly between electric mode and thrilling sport mode with a combination of electric motor and engine power. It delivers performance equal to a 1.8L engine yet remains fuel efficient*.

New 1.5L DOHC i-VTEC Engine with Idle Stop

Designed with performance and efficiency in mind. It switches off when idling to minimise fuel consumption.

7-Speed DCT with High Power Electric Motor

Dual clutches allow for quick gear shifting to enhance the thrill brought by the high power electric motor.

Sporty Handling

Enhancements to suspension and connecting rods give the Sport Hybrid its distinctive agile handling.

Improved Noise, Vibrations and Harshness (NVH) Reduction

New insulators absorb outside noise and vibrations for a quieter and more comfortable drive.

High-Power Lithium-Ion Battery

Powerful yet durable, the Lithium-Ion Battery has high capacity in a compact package.

Fully Electric Driven Compressor

A fully electric compressor reduces the load on the engine, allowing the air conditioner to cool when idle stop is activated.

Electric Servo Brake System

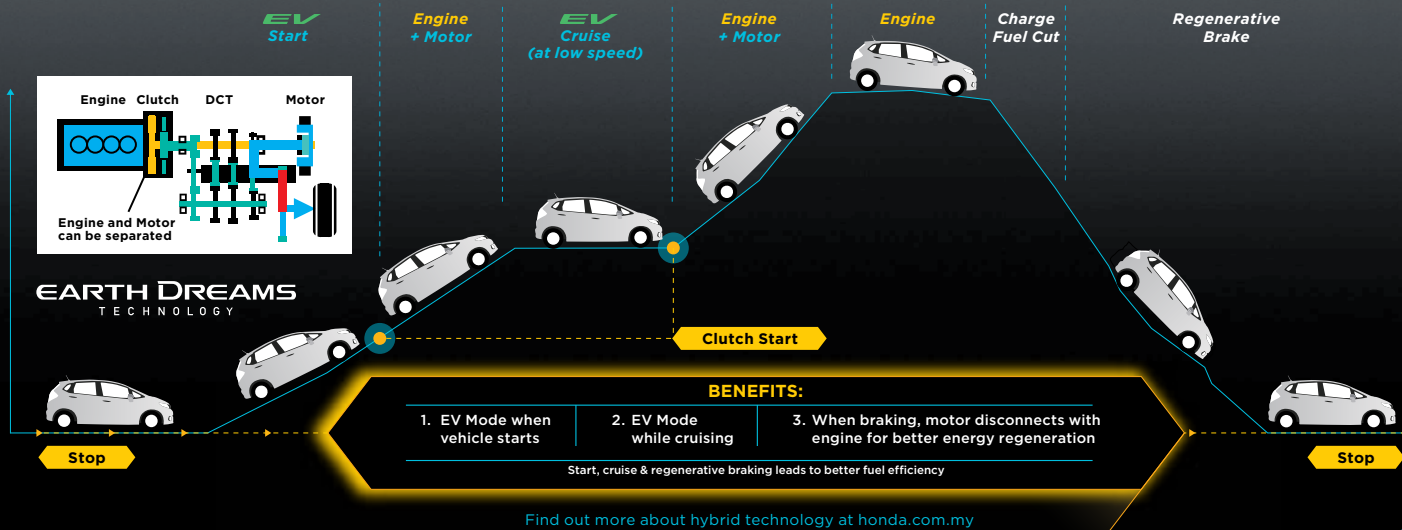

An integrated electronic control unit allows a greater battery recharge rate when braking. This enhances braking comfort and gives a longer drive in EV mode.

¹⁰ *UN R101 Test Result for City Hybrid: 3.9L/100km. Actual model, features and specifications may vary in detail from images shown. Subject to change without prior notice.

JAZZ HYBRID

HOW DOES A SPORT HYBRID *i-DCD* WORK? Intelligent Dual-Clutch Drive

SAFETY

Shift position in [R] or [D] & Less than 2km/h
Driver door open and seat belt unfastened

Automatic Parking Gear Selection
The car automatically shifts to its parking gear when the above conditions are met.

Vehicle Stability Assist (VSA)
Steer through corners with confidence as VSA reduces understeer and oversteer to keep the car stable.

Emergency Stop Signal (ESS)
During emergency braking, the taillights and hazard lights flash to alert other drivers.

Low Speed Sound Alert
Alerts pedestrians as the car moves in EV mode.

Reversing Sound Alert
Plays a constant chime to alert pedestrians while reversing.

4 Airbags
Dual front and side airbags keep the cabin protected.

Hill Start Assist (HSA)
Holds the car on slopes when the brakes are released to prevent the car from rolling backwards.

MULTI INFORMATION DISPLAY
